Dear Sanjay,

I want to take this time to tell you how much I appreciated the time you took to make sure my stay was as comfortable and as pleasant as it was.

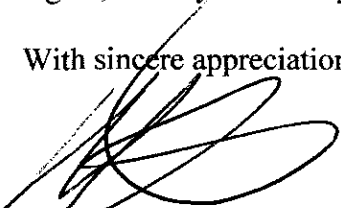

I want extend the same heartfelt thanks and appreciation to your Dad. I felt I was really cared about.

The nurses, nurses' aids and therapists were all great. I was given the greatest care, and it was so appreciated because I really needed it.

My room was gorgeous and bright and that helped me a lot to be in such beautiful surroundings.

Again, thank you for all you did for us, especially your constant concern

With sincere appreciation,

P.S. I want to commend Kevin, my therapist, for the job he does and how he helped me so much. Besides being one of the best therapists, he is a very caring and patient young man. I enjoyed being with him every step of the way. He is definitely an asset to your facility. He deserves to be commended. Please let him know that I acknowledged him ,
